## Deccan Health Care Limited Reports Strong Growth in Wellness Segment and Announces Expansion into Hydration and Sports Nutrition

By RNI News Desk - April 29, 2026

Deccan Health Care Limited continues to witness strong momentum in its Weight Wellness and Lifestyle product portfolio, launched in December 2025. The category has delivered a positive performance and is contributing significantly to overall sales growth. Building on this success, the Company is focused on consolidating its presence in existing markets while expanding into adjacent and underserved geographies during the current financial year.

As part of its strategic retail initiative, the Company has launched its exclusive Wellness Marts (WM) to strengthen consumer engagement and enhance brand visibility. During Q4 of FY 2025-26, 20 Wellness Marts were successfully established. The Company plans to further scale this network by adding 30 additional Wellness Marts in Q1 of the current financial year.
